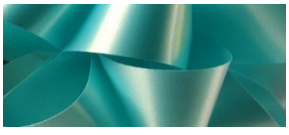
PTO mission

The mission of the PTO is to supplement and enrich the educational experience at Leonardo Davinci school. The PTO is a not-for-profit organization that relies on fundraisers and donations from members. The PTO supports students and teachers by donating school supplies such as musical instruments, books, science models, PE equipment, supporting field trips, organizing events and activities such as the end of the year carnival, back to school and Harvest fest and making donations for smart boards and pi day. We show teachers appreciation by supporting their dinners during PTO conferences, lunch during teacher appreciation week and present gifts during the holidays!



Thank you, parents, for your donations, for volunteering, and attending PTO events. You make a difference!

Trivia night:

The 6th annual Trivia night fundraiser was held on February 20, 2025, and was a stupendous success. Without all our incredible parents who volunteered, donated and participated, this success would not be possible. Thank you for believing in the PTO, the school and our children!

The PTO has several ways to help generate funds for the events and projects that we sponsor throughout the year. Our students, teachers and staff work so hard all year, and we are thrilled when we can make things a little easier for them. Check out our fundraising webpage and look at some of the easy options we have to add money to our budget. Many employers offer a match program when their employee chooses to donate towards a non-profit. If you're interested in donating towards the LdV PTO, which uses the funds to support our students, staff and school, please consider discussing this option with your Human Resource Department. SCRIP is a fantastic fundraiser that gives a rebate to the PTO when families purchase gift cards to stores, restaurants, gas stations and other retailers that they frequent. Gift cards from over 750 brands are available for purchase. Simply pay for your purchases with gift cards or e-gift cards that you store on your phone and the PTO will receive a rebate of 2% - 20%.
