Easy Fundraising with the da Vinci PTO

The PTO has several ways to help generate funds for the events and projects that we sponsor throughout the year. Our students, teachers and staff work so hard all year, and we are thrilled when we can make things a little easier for them. Check out our [fundraising webpage](#) and look at some of the easy options we have to add money to our budget.

Many employers offer a match program when their employee chooses to donate towards a non-profit. If you're interested in donating towards the LdV PTO, which uses the funds to support our students, staff and school, please consider discussing this option with your Human Resource Department.

PTO Connect

Thank you to everyone who has submitted their information to the PTO Connect. Do not forget, teachers will not distribute a class list, so the PTO Connect is the best way to contact classmates and families. If you have not included your information yet, use the link below to get connected with the great community at Leonardo da Vinci! Please note, if you have submitted your information in previous years, it is carried forward into the new year. However, if you have a new student at da Vinci, (including younger siblings new to the school) please consider adding your information. **The PTO connect is only shared with parents who submit their information. It is never posted anywhere public.**
